1. The Assistant Director for ELINT solicited reference proposal from [REDACTED] for the support of project [REDACTED].

The proposal relates to the configuration of equipments needed for the intercept of [REDACTED] believed to exist in the target area.

2. Form 1716, attached, evidences the [REDACTED] this office has encumbered for purposes of executing the contract. Due to the priority nature of this requirement, [REDACTED] was notified to proceed with equipment development on a verbal basis. Accordingly, the contract has already been consummated. Based on the foregoing, it is requested that a contract be negotiated with [REDACTED] so they may be reimbursed for the action taken. Equipment produced under reference contract has been fielded for operational use; consequently, accountability is to be maintained by the field station concerned. Agency association with this contract is to be classified SECRET and recovery development is to be UNCLASSIFIED.

25X1A1a

3. [REDACTED] extension 1961, was project monitor for this contract and monitored its execution.

GEORGE C. MILLER

Assistant Director for ELINT

APPROVED:
